Dear Wireline Competition Bureau:

Please find attached the following documents in support of our challenge to proposed CAF funding to Price Cap Carriers per Public Notice DA 13-1832 released August 28, 2013:

--Service Area Maps (2--Franklin and Stephens Counties in Georgia) with census block layer showing that TruVista already has in place facilities capable of providing broadband service to challenged census blocks at a download speed of at least 15 Mbps and an upload speed of at least 2 Mbps.

--List showing the challenged census block of each active customer, the speed to which the customer subscribes and the maximum speeds available in the block.

I certify that I am an officer of TruVista Communications of Georgia, LLC and that, to the best of my knowledge, all of the information submitted here-in is accurate.

Sincerely,

A handwritten signature in blue ink that reads "Thomas T. Harper".
